

LOOK AWAY

If i could trade tears in for smiles
don't you think that I would
I didn't mean to swim this deep in for miles
I really thought that I could
I really thought that I could

Look Away
Look Away
I don't wanna be okay
I don't wanna be brave
I don't wanna be brave
Look Away
Look Away
I don't wanna be okay
I don't wanna be brave
I don't wanna be brave

Now strong enough to keep it together
Not even in song
I'm stuck I cannot go any further
Cause I can't tell you what's wrong
Cause I can't tell you what's wrong
Cause I can't tell you what's wrong

Look Away
Look Away
I don't wanna be okay
I don't wanna be brave
I don't wanna be brave
Look Away
Look Away
I don't wanna be okay
I don't wanna be brave
I don't wanna be brave
